

Bloyer Heads Program

Dr. Russell O. Bloyer has been named coordinator of the second annual Student Achievement Recognition Program at the College of Lake County.

He will supervise the soliciting and gathering of entries, judging, and publicity activities of the second annual competition, to be held this year at 46 Illinois public junior colleges.

Two outstanding College of Lake County students, a man and woman, who best demonstrate noteworthy achievement toward desirable career goals will be selected next February by locally chosen judges from the community. The winners will receive \$100 prizes each.

Karen Schrieber and Jerry Angelloff were the winners of the first College of Lake County competition last year.

College of Lake County winners will compete in one of six district competitions throughout the state next March. The 12 district winners (a man and woman from each district) will receive \$250. The top two state winners will receive \$1,000 each and a trophy at a junior college awards luncheon in Chicago next April.

Last year's top two junior college students were Mrs. Vida Lentz of Kankakee and Richard Jackson of Chicago.

Joint sponsors of the project are the Illinois Association of Community and Junior Colleges and Continental Bank, Chicago, which is providing \$14,200 in award money and assisting in administration of the program.

Both vocational and academic students in the state's public junior colleges are eligible for awards. Judging will be based on a student's progress toward his chosen goals and his leadership and participation in campus and community activities. Candidates must be students in good standing and have completed at least nine semester hours or 12 quarter hours.

The program's purpose is to focus more public attention on the expanding Illinois junior college system and to recognize individual students in order to encourage educational excellence and school spirit.

Opening Night Is Near

An aura of excitement permeates the PL&M Theatre, 877 Main St., Antioch as the community theatre members pound nails, hang paneling, paint, and make improvements for the opening night of "My Three Angels" on Saturday night, Nov. 7. Curtain time 8:30 p.m.

Season ticket holders are especially invited to be "First Nighters" and participate in the thrill of the premiere of "My Three Angels" and the unveiling of their improved PM&L Theatre. Still more improvements will follow, but the group feels very pleased and proud of the accomplishments so far. Call 395-9702 for ticket reservations as seating is limited. Season tickets are still available also.

"My Three Angels", directed by Don Beveroth, will run for two more weekends following premiere night—November 13, 14, 29, and 30. The enthusiastic cast includes Dr. Al Bucar, Duane Wolfe, Ron Koules, Jerry Pettera, Fran Walpole, Gigi Spittle, Jay Horton, Don Beveroth, Marian Schulla, and Wayne Bentel.

Just a note about "My Three Angels"—"An uproarious cartoon built around three jolly crooks who steal with innocent relish, embellish with infinite grace, forge with artistic enthusiasm, and murder with a sober and methodical gentility—all out of kindness, benevolence, generosity and humanity! It is completely topsy-turvy—and delightful."

Picturephone Planned For Illinois Use

Illinois Bell Telephone announced today that it plans to begin offering commercial Picturephone service in Illinois Dec. 1. The company asked the Illinois

Antioch Area Students Win 54 Scholarships

The Illinois State Scholarship Commission today named 54 Antioch area students among the 16,517 selected as State Scholars in the 1971-72 competitive State Scholarship Program. High school academic record and examination scores are used in the selection.

The State Scholars represent nearly every high school in the state and were chosen from the 56,800 students who entered the competition by taking either the April 25 or July 18, 1970, examination administered by the American College Testing Program (ACT).

Monetary Awards up to \$12,000 for 1971-72 for use toward tuition and mandatory fees at the public or private college in Illinois of the student's choice will be conferred upon those State Scholars who have financial need as evidenced by data provided by the student and his family. Further, in recognition of their outstanding scholastic achievement, all State Scholars receive a Certificate of Merit.

Any student who is not named in the competitive State Scholarship Program who also is a United States citizen, an Illinois resident, and will attend an approved college in Illinois resident, and will attend an approved college in Illinois in September, 1971, may obtain a monetary award application from his high school counselor, or by writing directly to the Illinois State Scholarship Commission, Box 607, Deerfield, Illinois 60015.

For the 1970-71 academic year:

Antioch Fire Chief Charles Mapleshorpe and Richard Daniel, executive vice president of the State Bank of Antioch, examine the fire prevention calendars which will soon be distributed by the Antioch Fire Department. The calendars are furnished by the State Bank of Antioch.

49,000 undergraduate students are sharing in more than \$32,000,000 in monetary awards at the 135 Illinois public and private colleges and universities.

Four County Police Units Receive Grant

Four recent grants by the Illinois Law Enforcement Commission will materially assist four police departments in Lake County in operating with greater efficiency.

The funding will materially assist in adding motor vehicles, air conditioning in police cars, radio consoles, two-way car radios, portable radios, sonic warning devices, walkie-talkies, graphic cameras, fingerprint kits, recorder reproducers and other types of equipment vitally needed.

Approval of these grants was strongly recommended by the Lake

Our Selections

Election day will be here Tuesday and voters will find some 59 names on the ballot this year, along with three propositions.

We are in favor of all three propositions. A \$750 million bond issue to clean up the states lakes and streams; the elimination of the personal property tax on individuals; and the banking amendment which will put state banks on a par with federal banks.

Our selection for U.S. Senator is the present incumbent Ralph T. Smith. We believe Smith has the legislative knowledge to do a good job during the remainder of the term he was appointed to by Gov. Ogilvie.

We pick our present Congressman Robert McClory over his opponent. McClory has served ably in the eight years he has been in Congress, in our opinion.

For the office of state treasurer we select State Sen. Alan J. Dixon, of Belleville. Dixon, during his 20 years in the state legislature has made his mark and we believe that state government needs men of his caliber.

For state superintendent of public instruction we select Dr. Michael Bakalis, a professor at Northern Illinois University and an educator, which we believe his opponent is not.

That office needs a change, in our opinion, and we feel that Bakalis is the man to make those changes.

For the office of County Clerk we recommend retaining Truman Gerretsen. Gerretsen has been in the office for many years and has the know-how to continue to do a good job.

For the office of county treasurer we recommend Robert Skidmore, a veteran of 20 years in the workings of the office. We feel that Skidmore will properly invest the money that comes in from the taxpayers.

We recommend Orville S. (Pat) Clavey for the office of sheriff of Lake County. Clavey, we feel, will bring the office back to its proper perspective and reinstate the sheriff's patrol so badly needed in the county's unincorporated areas.

For the office of Supreme Court Judge of the state we select rural Grayslake attorney William E. Hartnett, an able attorney and former state representative from Lake County who we feel would be a valuable addition to any bench.

We have no selection for the appellate court bench. We feel that both William Guild and William Schirger can do an effective job.

For the office of circuit court judge our selections are Harry D. Strouse Jr. and Lloyd A. Van Deusen. Both are experienced on the bench.

For the office of associate circuit court judge we pick Fred H. Geiger, a Waukegan attorney with many years experience and former president of the Lake County Bar Association and Circuit Court Magistrate John J. Kaufman.

We recommend the retention of Circuit Court Judges LaVerne A. Dixon and William M. Carroll, and Associate Circuit Court Judge L. Eric Carey, who are running on their records.

The contest between State Sen. Robert Coulson and Jeffrey Diver, in our opinion, gives the nod to Coulson. Coulson is an effective legislator for Lake County and assistant majority leader of the Senate.

Diver is a very able young man, but lacks the experience to fill Coulson's spot.

There is no contest for state representative and our three very able ones, W. J. (Bill) Murphy, John Conolly and John Matijevich will be returned.

There is also no contest for the office of county superintendent of schools being vacated by our own W. C. Petty and being passed on to his assistant James G. Flood.

Four County

(Continued from page one)
Grants were received for police management studies, equipment, police laboratory crime training, establishment and equipment and training for a bomb and arson squad, drug training and training of police personnel.

In many cases, there was 100 per cent funding from the ILEC. Harry D. Strouse Jr., Judge of

the 19th Judicial Circuit, is chairman of the Lake County Law Enforcement Assistance Planning Committee. The other members of the committee are: State's Attorney Jack Hoogasian; Chief Michael F. Bonamarte Jr., of the Highland Park police department; Ronald R. Coles, Supervisor of Lake Villa township; Fred Connelly Jr., Chief Adult Probation Officer of Lake County; and Chief John Della Valle of the Waukegan police department.

Your Congressman Reports...

More than 13 months ago, President Nixon proposed new legislation in the field of on-the-job safety. Now, after weeks of hearings and months of intense consideration, almost everyone agrees that some strong Federal action is needed.

As President Nixon pointed out: "Every year in this country, some 14,000 deaths can be attributed to work-related injuries or illnesses. Because of accidents or diseases, sustained on the job, some 250 million man-days of labor are lost annually. The most important consequences of these losses is the human tragedy which results when an employee—often the head of a family—is struck down. It is interesting to note that in the last five years, the number of man-days lost because of work-related injuries has been 10 times the number lost because of strikes."

Inasmuch as two separate approaches to this acute problem have been offered, the precise form of the new legislation will have to be worked out on the floor of the House. Representative Dominick Daniels (D-N.J.) and a majority of the House Committee on Education and Labor reported the Occupational Safety and Health Act (H.R. 16785). However, the Committee members were divided sharply over the wisdom of certain provisions in the so-called "Daniels bill". Representative William Steiger (R-Wis.) has introduced a different version which he and others plan to offer as a "substitute bill" when the subject comes before the House of Representatives.

Although there are several significant differences in the two proposals, both provide for the setting of rigid health and safety standards; for the inspection of plants and factories by government investigators to assure enforcement of the standards; for civil and criminal penalties, including stiff fines for violations; and for the immediate temporary closing of any plant which presents an imminent danger to health or safety. The controversial differences between the two approaches generally involve implementation of these common policies.

The "Daniels bill" gives authority for setting health and safety standards to the Department of Labor. In addition, the bill envisions Labor Department hearings stemming from charges of code violations. The "Steiger substitute," on the other hand, creates an independent agency, the Occupational Safety and Health Board, composed of five

The Carneys and Pechulis drove to Bloomington, Ill., for the Homecoming game and activities between Illinois Wesleyan and Augustana. Illinois had a 30 to 0 victory. Speaking of football, Gordon and Jean DeBoer watched the Antioch sophomore game in which one of their sons played and then went on to Milton College for the other son's Homecoming game.

USEFUL PAIR
I noticed a Halloween pair of youngsters last week wearing a matching set: a washer and dryer. Must say, that's an idea.

HOMEMAKERS MEET
The Lake Region Unit of Homemakers held a workshop recently to get ready for the annual Home-making Arts Show. This unit is

experts in the field, appointed by the President, to set national standards for health and safety. In addition, a second independent Federal agency, the Occupational Safety and Health Appeals Commission, is created to hear charges of violations.

A second major difference between the two approaches concerns the closing of a plant where there has been a finding of imminent danger to employee health or safety. The "Daniels bill" gives authority to Labor Department inspectors to issue on-the-spot shut-down orders, effective for 5 days. The "substitute" requires a hearing before a U. S. District Judge in order for a plant to be shut down.

Most labor union leaders appear to favor the Daniels bill and the special advantages they would expect from Labor Department officials. However, the Secretary of Labor himself and many others urge that the establishment of the two independent agencies would assure greater fairness. They argue quite logically that the functions of the inspector, the prosecutor and the judge should be placed in separate hands—as in the Steiger bill.

New, nationwide work-safety legislation is badly needed—now. The fireworks will come over the details of that legislation.

concentrating on candles and centerpieces. Phyllis Drije is president of the group and Shirley Kaskis is chairman of the show this year. These meetings are open to the public and all are welcome to join the club.

INSPIRING EVENING
The ladies of St. Peter parish are invited to an evening of recollection Monday, Nov. 2 at the church. There will be a mass and a speaker and refreshments at the end of the meeting. All are invited to attend.

SAINTS GO MARCHING OUT?
If you were anywhere around St. Peter's School Saturday you might have viewed a thought provoking sight: A lady, whose name can be found in the Bible, was carrying a large Bible and entering a Police Squad Car. Wonder what that means?

FIREMAN AT WORK
A fireman was overcome by smoke at a house fire on Monday afternoon. Our Antioch firemen are always ready and willing to help when needed.

GET WELL WISHES
To Gary Larson, who is in Victory Memorial Hospital.

PM&L PREPARES
Everyone is busy with hammer, nails and paint, readying the P M & L Theatre for the opening of a new season November 7. "My Three Angels" is the production and promises to be a bright beginning for a successful season. **COTILLION COMMITTEE**
Although it won't be until Spring the Mental Health Cotillion Co-chairmen Phyllis Bucar and Kay Costoff are making plans for a gala affair.

HERE AND THERE
There will be many Trick or Treaters out Saturday to have lots of fun and goodies. Antioch High is completing final details for the fall play Felfler's People scheduled for November 6 and 7. Grass Lake School P.T.A. Rummage Sale November 7. Ice cream social at St. Peter's School November 10.

Get Spooky To Observe Halloween

Dream up your spookiest Halloween costume possible or create something "out of this world" and come to PM&L's Halloween Costume Dance on Saturday night, October 31 at 8:30 p.m. at the American Legion Hall.

Music will be by the Rhythm Kings and there will be costume prizes, entertainment, and refreshments. A spectacular evening is in store for everyone. Tickets can be reserved by calling the Rich Irmens, 395-4145 or can be purchased at the door.

All proceeds will go to the PM&L Theatre Improvement fund.

Picturephone

(Continued from page one)
Commerce Commission for permission to offer customers internal Picturephone service. The action marks Illinois Bell's first step toward eventual global face-to-face communications.

Illinois Bell President Charles L. Brown described the basic Picturephone system to be available Dec. 1 as a network interconnecting up to ten Picturephone sets in a customer's premises.

Although the initial Picturephone service is available to all Illinois Bell customers in Illinois, the company expects that it will appeal primarily to businesses. The cost of a typical three-set Picturephone system will be \$280 one-time charge and \$229 monthly rate.

An optional feature—a display data set which connects the system into a computer for calling up and displaying computer data on the Picturephone screen—carries a proposed \$200 one-time charge and \$275 monthly rate.

Brown said introduction of Picturephone service "heralds a new era in the art of communications. This modest step will eventually result in a world-wide communications network with which people will be able to communicate visually as well as by voice."

FDIC

Page, Powell Safety Program Told

Paul Powell, Secretary of State, and Ray Page, Superintendent of Public Instruction have announced a co-ordinated traffic safety program for elementary grades of public, parochial and private school systems in Illinois.

Bicycle Rules of the Road, a new booklet published by the Secretary of State's Office will be used in conjunction with a bicycle and pedestrian safety program developed by Superintendent Page for introduction into the school systems this semester.

Secretary Powell explained that "Bicycle Rules of the Road" is a driver's manual for bicycle riders.

"Although it is designed especially for boys and girls in the elementary school grades, it also contains information of interest to older riders. A chapter for parents informs them of their responsibilities and tells what they need to know to safeguard their children," Powell stated.

Superintendent Page commended

Secretary Powell for recognition of the bicycle safety program and his initiative in developing Bicycle Rules of the Road, the first of its kind in the nation. "Both Powell and myself are convinced that a co-ordinated effort in this endeavor is the best possible approach to the problem. Therefore, I am introducing a program based upon this concept in conjunction with the availability of the Secretary of State's official bicycle rules of the road publication," Page said.

Secretary Powell explained that traffic laws, highway signs and traffic control signals apply to bicycles as well as to automobiles, and that safety rules will prevent accidents if they are carefully observed. "Bicycle Rules of the Road explains these rules in a manner easily understood by school children as well as their parents."

Superintendent Page explained the procedure for distribution and use of the booklets in the schools. "With the approval and recommendation of the Secretary of State, my office is supplying each school superintendent and principal with a sample copy of the official 'Bicycle Rules of the

Road" along with a letter of introduction explaining its purpose and emphasizing the need for its use. Each school will be asked to order as many copies as it may need through the Traffic Safety Department, Office of the Superintendent of Public Instruction. Each teacher will receive a teacher's guide as well as student materials to help implement the booklet in the classroom. An official bicycle rules of the road test will also be supplied for the teacher.

"In addition, the student will receive an official state certificate signed by both Powell and myself signifying his passing the knowledge test. In a sense he would be going through an analogous procedure that he will experience as a future automobile driver. We feel that this approach will give the bicycle safety program more status in the mind of the student as well as his parents."

"Both Ray Page and I are strongly convinced that traffic safety education should begin when a child gets his first set of wheels," said Secretary Powell, "whether on a bicycle, tricycle or skate-board. Today's young bike

rider will become the teenage car driver of tomorrow, so the habits and attitudes which are formed now will determine in a large way the manner in which an automobile will some day be handled. It is fairly certain that our young people will become better and safer drivers if they learn and follow 'Bicycle Rules of the Road.' Superintendent Page should certainly be commended for giving our Illinois school children the opportunity to receive this kind of traffic safety education."

Secretary Powell told how the idea of a bicycle book came to him while observing a children's traffic safety training park in Frankfurt, Germany during a visit in 1955. However, it was necessary to wait in initiating our program until 1969 when funds were made available by the Illinois Legislature.

Feiffer's Cartoons Get Life

While thumbing through a newspaper or magazine, your eyes may have caught the simple black and white profiles and satirical cartoons of Jules Feiffer. On Nov. 6 and 7, Feiffer's cartoon characters will come alive on the Antioch Community High School stage under the direction of a true Feiffer-ian, Ken Smouse, English and drama instructor.

The cast will consist of a major portion of the drama class, determined by a closed audition. The blackouts and short skits which make up the play, allow each performer the freedom to improvise and create his character as he wishes. This unique production of Feiffer's wry humor will demand a little brain work on the part of the audience, but then the humor will be appreciated just that much more.

Mark the date: Nov. 6 and 7. It's an evening you'll never forget! Curtain time, 8 p.m. Tickets are available from the east or at the door.

Feiffer's People, a truly wild evening of theatre entertainment.

Physical therapy can help to retrain muscles weakened by a stroke.

Lake County Voters Cast Ballots Tuesday

Lake County voters will troop to the polls next Tuesday to decide on 59 candidates who are in the election races.

Top spot on the ballot is a contest to fill the U. S. Senate seat vacated by the death of Sen. Everett M. Dirksen.

Vying for the post is the present Republican U. S. Senator Ralph Smith, and State Treasurer Adlai Stevenson III.

Also on the election block is the post of state treasurer. Opponents in that race are State Sen. Alan J. Dixon, the Democrat, and Cook County Treasurer Edmund Kucharski, Republican.

Also at stake is the race between Republican Ray Page and Dr. Michael Bakalis, a professor at Northern Illinois University for the post of state superintendent of public instruction, now held by Page.

On the county level, three spots

are up for grabs. County Clerk Truman Gerrelsen, a Republican, is being opposed by Grace Mary Stern, a Democrat and assistant township supervisor from Deerfield.

The county treasurer's post, being vacated by Treasurer Ray Sheahan, features Robert Skidmore, Republican, who has been in the treasurer's office for the past 20 years, and Ray Biondi, of Highwood, a Democrat and former bank employee.

The sheriff's race will feature Lake County Coroner Orville S. (Pat) Clavey, Republican, against Marion G. (Red) Faber, a Democrat.

The only contest in the state legislature from the 31st District, of which Antioch is a part, features incumbent Sen. Robert Coulson, a Republican, against Waukegan attorney Jeffrey Diver, a Democrat.

Congressman Robert McClory, R-Lake Bluff, is seeking re-election against a strong challenge by Democrat James J. Cone, also of Lake Bluff.

State Reps. W. J. Murphy of Antioch, John Conolly, of Waukegan, and John Matijevich of North Chicago are unopposed.

Several judge races are on the ballot also. Grayslake attorney William E. Hartnett, a Democrat, is seeking the Illinois Supreme Court spot against Appellate Court Justice Charles H. Davis, R-Rockford.

Associate Circuit Court Judges Lloyd R. Van Deusen, R-Waukegan, and Harry D. Strouse, Jr., R-Rural Barrington, and former assistant public defender Charles S. Wilson III, D-Lake Bluff, are vying for two spots on the 19th Judicial Circuit Court bench.

Four candidates are slated for two spots on the 19th Judicial Circuit Court bench as associate judges. They include:

Fred H. Geiger, R-Waukegan, Circuit Court Magistrate John J. Kaufman, R-Gurnee, Circuit Court Magistrate John L. Hughes, D-Waukegan, and Arthur C. Holt, D-Druce Lake.

The race for the 2nd District Appellate Court spot has DuPage County Circuit Court Associate Judge William L. Guild, R-Wheaton, opposing William E. Schirger, D-Rockford.

Also on the ballot are three propositions—a \$750 million anti-pollution bond issue; a measure to do away with the personal property tax against individuals and a banking amendment that would put state banks on a par with national banks.

The state senate race in the 31st District features incumbent Robert Coulson, R-Waukegan, against Democrat Jeffrey Diver of Waukegan.

Three judges are up for retention. They include Circuit Court Judge LaVerne A. Dixon, William M. Carroll, and associate judge L. Eric Carey.

You Can Control Fuel Bill

You can play a part in controlling your fuel bills this winter.

It only takes a few minutes and a few simple preparations to winterize your home and be sure your furnace is operating properly. And it takes even less effort to keep your home heating system efficiently all winter long.

Northern Illinois Gas Company offers these simple, money-saving hints to help you conserve fuel and keep a check on your fuel bills this winter.

Use nature to its best advantage. Sunshine is free, and it's warm—so, when the sun is shining, open up window blinds,

shades and curtains, and let the sun shine in. When the sun goes down or doesn't shine, keep window coverings closed, and let them form an insulation against the cold air outside.

If you have a fireplace, be sure the damper is closed when it isn't in use.

Try to keep the opening and closing of doors to the outside at a minimum. Each time an outside door is opened heat escapes, and your furnace has to work overtime to replace the lost heat.

Keep heaters free from obstructions. If you cover a radiator or block off a heat duct, the heat from that source is cut off and the room temperature will drop.

A great way to waste heat is to get into the habit of constantly adjusting the thermostat. Contrary to popular belief, turning up the thermostat doesn't make the furnace produce any more heat—what it does is keep the furnace operating longer, using up more fuel.

Set the thermostat at the temperature you want, and leave it there. If it is operating properly, the thermostat will automatically turn itself on and off.

You can economize while you sleep by turning the thermostat down 5 to 10 degrees. If you do this regularly, you'll save quite a bit on fuel costs.

Experiment for the first few cold days to find the coolest indoor temperature at which your home is comfortable. Heating costs increase about three per cent for every degree above 70 degrees that you set your thermostat. So, if you keep your thermostat set at 70 degrees for a month, your heating bill will be around 30 per cent lower than if you kept it set at 80 degrees.

Change your furnace filter several times during the winter. If the filter is dirty, the furnace may operate all day long, especially during very cold weather, and still not be able to work efficiently.

If there are some rooms in your home that are not used in winter, turn off the registers and radiators in those rooms and keep the door closed. There's no need to heat an unused room. And, if your basement, attic or garage isn't heated, keep the door closed so that the heat from the heated part of the house won't escape.

JUST ARRIVED?
We've no red carpet to roll out; no brass band to serenade you. But we can help you with names and locations of schools, lists of community facilities, shopping information and all the other things you'll want to know about your new home town. A Welcome Wagon hostess will visit at your convenience to provide all this and gifts as well. It's all yours—free—for a telephone call to Welcome Wagon at

Lindhurst News

By Mrs. Bernice Bernau

Mrs. Joy Manuel and Mrs. Fran Lambert are co-chairladies of the conservation committee of the Lake Villa School P.T.A. Presently they are inviting any parent, organization, or friend of the school, to contribute money which will be used to purchase a tree or shrub for either the B. J. Hooper School, Lake Villa Central School or the New Intermediate School on McKinley Drive in Lake Villa. Presently, there isn't a tree of any kind at the new school. They are most anxious to plant some in that area, but the donor may designate what kind and where he wants his tree planted. Trees may be purchased for \$2.00 and up. A plaque may also be purchased for \$3.00 to denote a memorial, if desired. For more information call either of the ladies at 356-5066 or 356-7833.

Birthdays
A happy birthday is wished to Beth Ott, Beth Doerrfeld, Holly Lynn Tracy, Brian Bukelman, James Walsh, Tracy Lynn Manuel, Paul Zegan, Scott Martin, Worchal, Lynn Hay, Dorothy Faye Robinson, Rolf Westberg, Michelle Lynn St. John, Kary Anne Golden, Bernard Raymond Schneider, Stephanie Lea Grove, David Gonzales, Robert Wolff, Jennifer Lynn Horne and George W. Harrison, Jr.

ANNIVERSARIES
Our congratulations to Jim and Sandy Wolter on their seventh wedding anniversary Oct. 28 Oct. 25 is Ed and my thirty seventh wedding anniversary. The 27th is the Norbert Fischkes nineteenth anniversary. The 26th is also the thirteenth anniversary of Dolores and Gil Povillaitis. Ronald Joan Cowler will be married sixteen years on Oct. 23 Oct. 22 is the fourth wedding anniversary for Joe and Fran Priory. And a belated congratulations to Bob and Kathy Clayton on their first anniversary Oct. 18.

Jr. Girl Scout News
All four Jr. Girl Scout troops, No. 212 of Lake Villa, lead by Mrs. Fran Lambert and Mrs. Pat Rubel, Troop 161 lead by Mrs. Dolores Povillaitis, Joy Manuel and Mrs. Edie Dunn, Troop 218 lead by Mrs. Nancy Havert and Mrs. Brenda Johnson, and Troop 269 lead by Mrs. Trudy Slattery and Mrs. Candy Nelson, participated in a good grooming talk, demonstrated by Mrs. Ronald Schillinger, at last Wednesday's meeting at the Lindhurst Civic Center.

First Child
Mr. and Mrs. Robert (Kathy) Clayton, Jr., of Lake Villa welcomed their first child at Victory Memorial Hospital, Oct. 12. Robert Clayton, the third, weighed 8 pounds, 1/2 ounce. The proud grandparents are Mr. and Mrs. Dudley (Shirley) Mertes, 2007 E. Old Elm Road, and Mr. and Mrs. Robert Clayton, Sr. of Chicago. Oct. 18 was the young couple's first wedding anniversary.

Hay Ride
The young people of Prince of Peace parish are having a hay ride and marshmallow roast Friday night, October 30th, (the night before Halloween), \$1.25 per person will assure you of a reservation, with a cool, mosquito-free evening with hay, bonfires, cider and maybe a ghost or two. Call John Hamlin at 356-2578 or Tom Neton at 356-8289. Invite your friends to go along that evening.

First Communion
First Communion for Prince of Peace Parish will be held on Nov. 7th.

Hospital Patients
Robert and Anita Colucio are in St. Theresa Hospital. John Mazurek and Joe Romano are in Victory. We wish them a speedy recovery.

Mr. and Mrs. John Iversen

Couple Celebrates Golden Anniversary

Mr. and Mrs. John Iversen of 924 Second Ave., Deep Lake, Lake Villa, celebrated their 50th wedding anniversary on Oct. 23 at home with a family dinner party prepared by their niece, Mrs. Robert Drucks of Fox Lake.

The Iversens have one daughter, Grace Johnson, son-in-law Charles Johnson and two teen-age grandsons, Ricky and Charles, Jr.

The Johnsons live in Milwaukee, Wis., and were present for the dinner.

John Iversen was born in Sord,

Denmark, and his wife Oda was born in Roskilde, Denmark. They came to the United States in 1920 and have lived in Lake Villa for the past 20 years.

As a surprise, their niece arranged the traditional archway of ivy and flowers outside their home centered by Danish and American flags.

During the festive weekend they had many friends from the area and Chicago visit them.

Mrs. Iversen has a sister-in-law from Denmark who is visiting them at the present time.

Marie Lang Wins \$3,000 Scholarship

John W. Lewis, Secretary of State and State Librarian, has announced that Marie Lang, of rural Antioch, has been awarded a \$3,000 scholarship grant by the Illinois State Library for graduate study in library science.

Miss Lang is working on her masters degree in library science at Rosary College in River Forest. She received her bachelors degree in Spanish from College of St. Francis in Joliet.

Thirty-five scholarships, funded through the Federal Library Services and Construction Act, have been awarded in 1969-70 through the Illinois State Library.

American Legion Auxiliary News

AMERICAN LEGION AND AUXILIARY INSTALLATION

By Del Jahneke
The joint installation of officers of the Antioch American Legion Post No. 748 and the Auxiliary took place on Thursday, Oct. 15, at the Antioch American Legion Home.

The installing officer for the Auxiliary was Mrs. Robert Broege, of Deerfield, 10th District President; with the assistance of Mrs. Richard Brady, Gurnee, District Chaplain, as the installing sergeant-at-arms; Mrs. Walter Hills, installing chaplain, and Mrs. Lester Zitkus, installing musician. Both Mrs. Hills and Mrs. Zitkus are past presidents of the Antioch Unit.

Mrs. John W. Horan was installed as Unit President. Other officers are Mrs. Lester Zitkus, 1st Vice President; Mrs. Bernard DeVries, 2nd Vice President; Mrs. Joseph Horton, Secretary; Mrs. Frank Kennedy, Treasurer; Mrs. Edward Jahneke, Historian; Mrs. F. A. Swenson, Chaplain; Mrs. Samuel Pettigrew, Sergeant-at-Arms; and Mrs. Ray Rathmann, Junior Past President. Mrs. Jahneke was unable to attend, so Mrs. Bernard Stadick acted as her proxy in the ceremony.

A membership total of 77 auxiliary members was reported.

Pancake Breakfast Set For Oakland

Oakland Grade School will hold its annual Pancake Breakfast from 8 a.m. to 1 p.m. Sunday in the school gym, Nov. 1. Chairmen for the Breakfast include Mrs. L. Sarrock and Mrs. P. Koeller.

Oakland Grade School P.T.A. will meet Monday at 8 p.m. Nov. 2, in the school gym.

After a short business meeting the sixth, seventh and eighth grades will entertain, under the direction of Mrs. V. Robinson.

by Mrs. Zitkus, Membership chairman. Only ten more members are needed for the Antioch Unit to reach their 100 per cent membership goal.

Mrs. Stadick presented both the Unit Press Book and the Unit History, compiled by Mrs. Jahneke, to Mrs. Rathmann, outgoing President. Another presentation from the Antioch Unit was a gift from her officers' and chairman to Mrs. Rathmann, given her by Mrs. Zitkus.

Tenth District Commander George Flugger, Vernon, and his corps of officers, installed the Legionnaires. Don Gaston is the new Commander, with James Ferrier, Senior Vice Commander; Dennis Beattie, and Ray Rathmann; Ed Frazier, Adjutant; John W. Horan, Finance Officer; F. A. Swenson, Service Officer; John L. Horan, Historian; David Kuiken, Chaplain; Aldrew Kalnik, Sergeant-at-Arms; and Bernard DeVries, Junior Past Commander. Floyd Horton was proxy for Dennis Beattie, and Ray Rathmann acted as proxy for Andrew Kalnik.

Mrs. Ray Rathmann, from left, outgoing president, looks on as Mrs. Robert Broege, 10th District president passes gavel to Mrs. John W. Horan, incoming president at the American Legion Auxiliary installation ceremonies.

Tenth District Commander George Flugger, presents gavel to new Antioch American Legion Commander Don Gaston.

mann acted as proxy for Andrew Kalnik.

Commander Don Gaston presented his Past Commander's Pin and a gift from the Antioch American Legion to Bernard DeVries. Special recognition was given F. A. Swenson for his many years of fine work as service officer.

John W. Horan was the recipient of a new briefcase to be used in his work as Finance Officer.

Approximately 150 Legionnaires, Auxiliary members and guests were in attendance from Antioch, and many of the communities in Lake County.

Mental Health Campaign Is Nearing Goal

Marvin Chandler, chairman of Northern Illinois Gas Company and general chairman of the 1970 mental health campaign, announced today that the campaign has reached the 80 per cent mark of its \$300,000 goal. \$250,000 has been raised to date.

The money raised through this effort is used to help support the Mental Health Association of Greater Chicago's five-point program on behalf of the mentally ill, with activities in the fields of service, planning, education, action and research.

Locally the Association conducts patient-related activities such as Work Experience, which bridges the gap between a patient's long confinement in a state mental hospital and his return to home, community, and eventual re-employment.

Work Experience participants, who come from Chicago and many of the surrounding suburban communities, are part of a four-month retraining and socialization program in the Association's headquarters at 407 S. Dearborn Street, Chicago.

Mental patients in their way to full recovery take part in a wide range of self-improvement activities. Included are upgrading personal appearance, renewing business skills, and reorientation to job disciplines.

Chandler urged all citizens to help raise the balance of \$50,000 that is necessary to reach the '70 goal so that financial support for Association programs like Work Experience will not be cut and services curtailed.

Antioch Has \$2,892

Antioch has received \$2,892 from the state thus far during the fiscal year on disbursements of the state income tax.

The total amount given to Lake County is \$398,431.

CALL IT A DAY!

The following is supposedly an actual on-the-job accident report that was submitted to an insurance company by the accident victim, as reported in a recent issue of the Albera Hospital Association Newsletter.

"When I got to the building, I found that the storm had knocked some bricks off the top. So, I rigged up a beam, with a pulley at the top of the building, and hoisted up a couple of barrels full of bricks. When I had repaired the building there were a lot of bricks left over, so I filled a barrel with these extra bricks. Next, I went to the bottom of the building and cast off the line.

"Unfortunately, the barrel of bricks was heavier than I am. Before I knew what was happening, the barrel started down, jerking me off the ground. I decided to hang on. Halfway up, I met the barrel coming down, and received a severe blow on the shoulder. I continued to the top of the building, where I banged my head against the beam, and jammed my finger on the edges.

"When the barrel hit the ground, it burst its bottom. This allowed all the bricks to spill out. I now was heavier than the barrel, so I started down at high speed. Halfway down, I met the barrel coming up, and severely injured my shin. When I hit the bottom, I landed on the bricks and got several painful cuts from the sharp edges.

"At this point I must have lost my presence of mind. I let go of the line. The barrel came down and gave me another heavy blow on the head. This put me in the hospital."

Mrs. Volk, Dahl Attend Convention

Mrs. Helen Volk, Lake County Extension Adviser and Mrs. Barbara Dahl, Lake County Associate Adviser, are attending the Annual Convention of the National Association of Extension Home Economists, Oct. 26-30, 1970. Headquarters are at the Sheraton-Schroeder Hotel and the Milwaukee Convention Center. They will have an opportunity to hear outstanding speakers, visit over 60 exhibits of Commercial concerns related to Home Economics, and enjoy the fellowship at dinner parties planned for the more than 1000 advisers attending from throughout the United States. Mrs. Volk served as National Treasurer - 1966-68.

Mrs. Volk was elected chief of Alpha Nu Chapter of Epsilon Sigma Phi at the University of Illinois during the Advisers Fall Conference on Oct. 15, in Urbana. This is an honorary fraternity

of Extension workers with chapters in 49 states. Illinois has 306 members and there are over 5000 in the United States. Its purpose is to bind Extension workers together in a bond of fellowship of high professional standards. Members of Epsilon Sigma Phi may be elected by her peers after 10 years of satisfactory service. Other officers of Alpha Nu Chapter are Mr. Paul Wilson, Secretary-Treasurer of Pontiac and Mr. Harold Gordon, Analyst, of Urbana. The chapter headquarters are at the University of Illinois-Urbana.

Mrs. Volk is looking forward to some new challenging experiences as head of this organization for the coming year.

Engagement Announced

Mr. and Mrs. Glenn Dowell, of Antioch, have announced the engagement of their daughter, Jean, to Roy Metzel of Antioch, son of

Jean Dowell

Mr. and Mrs. Bernard (Hans) Metzel.

Miss Dowell is a senior at Antioch High School.

No date has been set for the wedding.

ACHS PTA MEETING

Antioch Community High School P.T.A. will hold its second meeting Wednesday, Nov. 4, at 8 p.m. in the high school cafeteria. The officers are planning an interesting meeting and hope to see many parents in attendance.

CHRISTIAN SCIENCE CHURCHES

The importance of nations as well as individuals being just and right will be emphasized Sunday in all Christian Science churches. Keynoting the Lesson-Sermon on "Everlasting Punishment" is the Golden Text from Proverbs: "Righteousness exalteth a nation: but sin is a reproach to any people."

A passage to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "Through the wholesome chastisements of Love, we are helped onward in the march towards righteousness, peace, and purity, which are the landmarks of Science."

The public is welcome at services held at First Church of Christ, Scientist, BEACON HILL, Rte. 173 and Harden, Antioch, at 11:00 a.m.

This is a picture of the best-looking, quietest, most comfortable, easiest-to-install heating system ever devised.

It's a ceiling with electric heating cable tucked neatly inside where nobody can see it. It has no moving parts. It heats evenly, with radiant heat like the sun's. It does away with drafts, hot air gusts, quick temperature fluctuations, wall and floor registers. It's as clean as electricity itself. No wonder it's the kind of heating system people like best.

The bright new ideas are Electric.®

Commonwealth Edison Company

136,977 Vets From Illinois Get Benefits

Some 136,977 veterans of the 3,180,457 receiving disability compensation or pension from the Veterans Administration are from Illinois.

Of these 86,415 veterans are receiving disability payments for service-connected reasons and 50,562 for reasons not related to military service, according to John B. Naser, director of the VA Regional Office in Chicago. Statistics were made available recently based on June 1970 reports.

Compensation is paid to veterans who suffered disability as a result of service and is paid re-

gardless of other income. Pensions are paid to disabled and needy veterans without consideration of disability while in service, but is based on the veteran's income.

Nationally, 2,091,466 veterans receive payments for injuries or illnesses relating to their military service.

Of the 168,773 Vietnam era veterans receiving compensation or pension, 6,319 are from Illinois, and 9,910 of the 264,850 Korean Conflict veterans are from this state.

Most veterans receiving compensation and pension are from World War II. These number 7,788,638 nationally, of which 77,228 are from Illinois.

Because World War I veterans are now reaching an average age of 76, most who receive payments do so because they performed military service and are now disabled, rather than for service-connected disabilities. Nationally of the 754,759 World War I veterans, 3,334 World War I veterans receive VA compensation because of service-related illnesses or injuries.

An additional 185,363 veterans who served in other periods including 6,208 from Illinois receive VA compensation because of service-related illnesses or injuries.

Veterans who served during an acknowledged period of war who have limited incomes, but who can no longer work because of disability—whether related to their service, may be eligible for benefits, according to Naser. Full information is available at the VA Regional Office, 2030 West Taylor, P. O. Box 8136, Chicago, Ill. 60680.

Emmons Loses Game Rifles Wrap Up Title

Emmons Grade School lost its first football game of the season on Wednesday, Oct. 20. Grass Lake Grade School topped the Emmons Raiders 25-12.

During the first half of the game, Bob Dodd passed to Bill Petty on a halfback option to score for the Raiders. A few minutes later Chuck Smith of Grass Lake passed to Harry Zoll for a TD. Before the first half ended, Jeff Schmidt's pass to Bob Bach was completed for a touchdown for Emmons. No extra points were scored in the first half, and the score was 12-6 for Emmons Grade School.

In the second half of the game Grass Lake scored three touch-

downs on runs. Darrell Quirk scored two, and Roy Morrison added another. Chuck Smith added one extra point. The game ended with the score 25-12.

Emmons and Grass Lake have played two games this season. Each team has won a game, winning on its opponent's home field.

Fire Destroys Home

A summer home owned by August Hudec in Wedgewood Subdivision, Loon Lake, was destroyed by fire last Saturday morning.

Antioch Fire Chief Charles Maplethorpe said the fire was set by vandals.

The Red Baron and his aerial circus were grounded Saturday night. 3200 fans watched the Lake County Rifles sew up the Southern Division title with a resounding 41 to 0 victory over the Delavan Red Devils, as they gave the Red Baron and his favorite receiver, Snoopy, (alias Jim Knoblauch) a thorough white-washing. With rumors of NFL scouts in the stands watching Berezowitz and Knoblauch, the entire Lake County team put on a show as if they intended to replace some current NFL franchise.

The first quarter saw Bob Berezowitz's second pass intercepted

by the Rifles' Pat Owens and returned 29 yds. to the Red Devil 16 yd. line. Ron Jurewicz pounced 13 yds. to the 3, and two plays later, Karl Malo scampered in from the 1 yd. line with the initial score of the game. Newly acquired Tom Bishop booted the extra point, and Lake County led, 7 to 0, with 8:55 left in the first quarter.

Delavan's Jim Ganoung returned the subsequent kickoff 23 yds. to his 28 yd. line where he fumbled when hit. Terry Rudnick recovered for Lake County on the Red Devil 30, and the Rifles had another shot at paydirt. After being thrown for a 16 yd. loss,

Fred Custardo threw 30 yds. to Karl Malo for a first down on the Red Devil 10. Two consecutive penalties against Delavan for roughness and unsportsmanlike conduct moved the ball to the 3. Malo blasted to the 3 and Custardo sneaked to the 1. On third down Jurewicz was thrown back to the 3, and on 4th down he could only get back to the 2 yd. line. Delavan took over on downs and could not move the football. Randy Finnegan punted 42 yds. to Dick Wolf and the Rifle return specialist danced 12 yds. to the Delavan 32 yd. line. A clipping penalty moved the ball back to the Delavan 47, and from there the Rifles marched into the end zone in four plays. The capper was a 23 yd. touchdown pass from Custardo to Gerry Sandberg. Bishop again converted and the Rifles now led, 14 to 0.

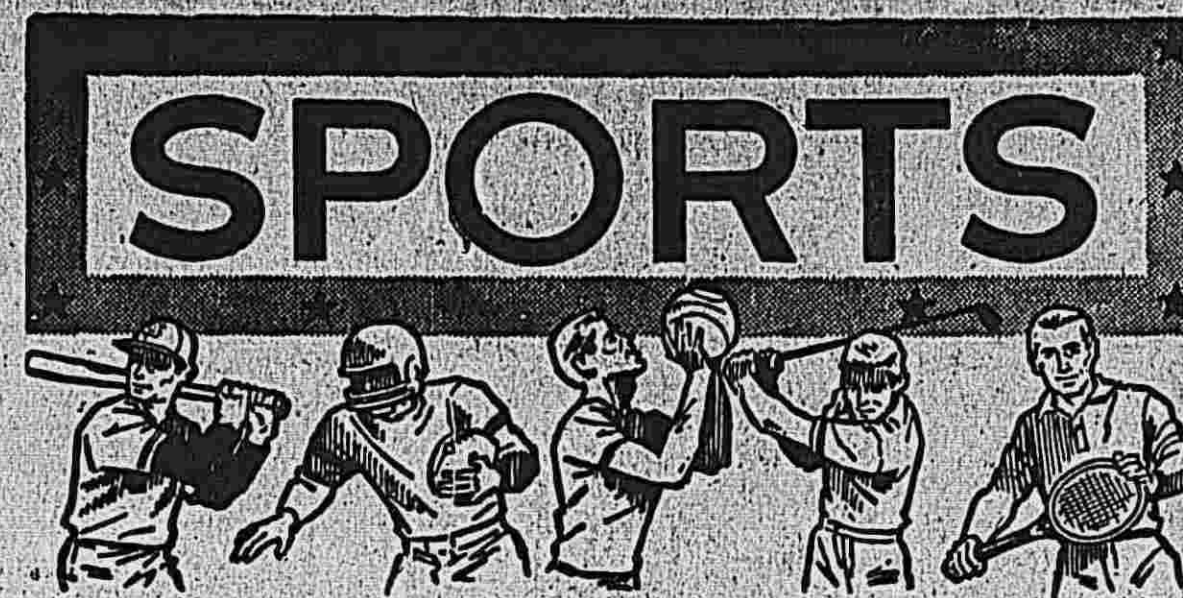

The two teams exchanged punts in the second quarter as the Rifles continued to bottle up Berezowitz. The league leading passer eventually wound up the first half with only 4 completions in 14 attempts; none of them to Knoblauch, his league leading, pass receiving, brother-in-law. The Rifles finally managed their third touchdown of the half following a Jim Scully interception of a Berezowitz pass in his own end zone. The pass was lofted 50 yds. in the air and Scully's interception perhaps saved a touchdown. A penalty set the Rifles back to their own 10 yd. line, and from there the Rifles moved 90 yds. in 6 plays to score. A 41 yd. pass to Terry Rudnick moved the ball to the Delavan 42, and a 12 yd. burst by Jurewicz put the ball on the 20. Two plays later, Custardo passed to Jurewicz for 12 yds. and a first down on the 18. On the next play he hit Jurewicz in the end zone for the score with just 10 seconds left in the first half. Bishop again split the uprights and Lake County led, 21 to 0.

The third quarter saw Delavan make their only deep thrust into Rifle territory. However, by this time Lake County had piled on another score as they capitalized on Jim Ganoung's fumbled kickoff return to start the second half. Lake County moved 29 yds. to paydirt as Fred Custardo passed the last 20 yds. to Gerry Sandberg for the score. Bishop's PAT attempt was good and the Rifles now led 28 to 0.

The Delavan thrust came on the subsequent series of downs and carried them 89 yds. from their own 3 to the Lake County 8 yd. line. A poor kickoff return put them on the 3 and Berezowitz's passes moved them most of the way up field. Platt Barber caught a first down pass of 23 yds. on his 45 yd. line, and Greg Jones snatched two for 11 and 21 yds., moving the ball to the Rifle 9 yd. line. They could get only 1 more yd., however, as a fourth down Berezowitz pass was intercepted in the end zone by LaVern Pottinger.

Following an interception of a Greg Jones option pass, by Pat Owens, again, on his own 10 yd. line, the Rifles scored in spectacular fashion. Three plays moved the ball to the 25, where Custardo hit a wide open Bill Potter at midfields and Bill scampered the rest of the way for a 75 yd. touchdown pass and rug. This time Bishop's extra point attempt was blocked and the Rifles led, 34 to 0, as 2:40 remained on the third quarter clock.

Fred Custardo gave way to Bruce Swanson and Bob Berezowitz gave way to Dennis Zander in the fourth quarter as Delavan tried to get on the board. Lake County was the only team moving the ball this night, however, and they added their final touchdown on a 50 yd. drive in 8 plays with Swanson going over from 5 yds. out. Bishop's PAT ran the final count to 41 to 0. 8:55 remained in the game and Rifle reserves controlled the ball and the clock to

THURSDAY, OCTOBER 29, 1970

THE ANTIOCH NEWS-6

Rams Humble Sequoits

By The Twelfth Man

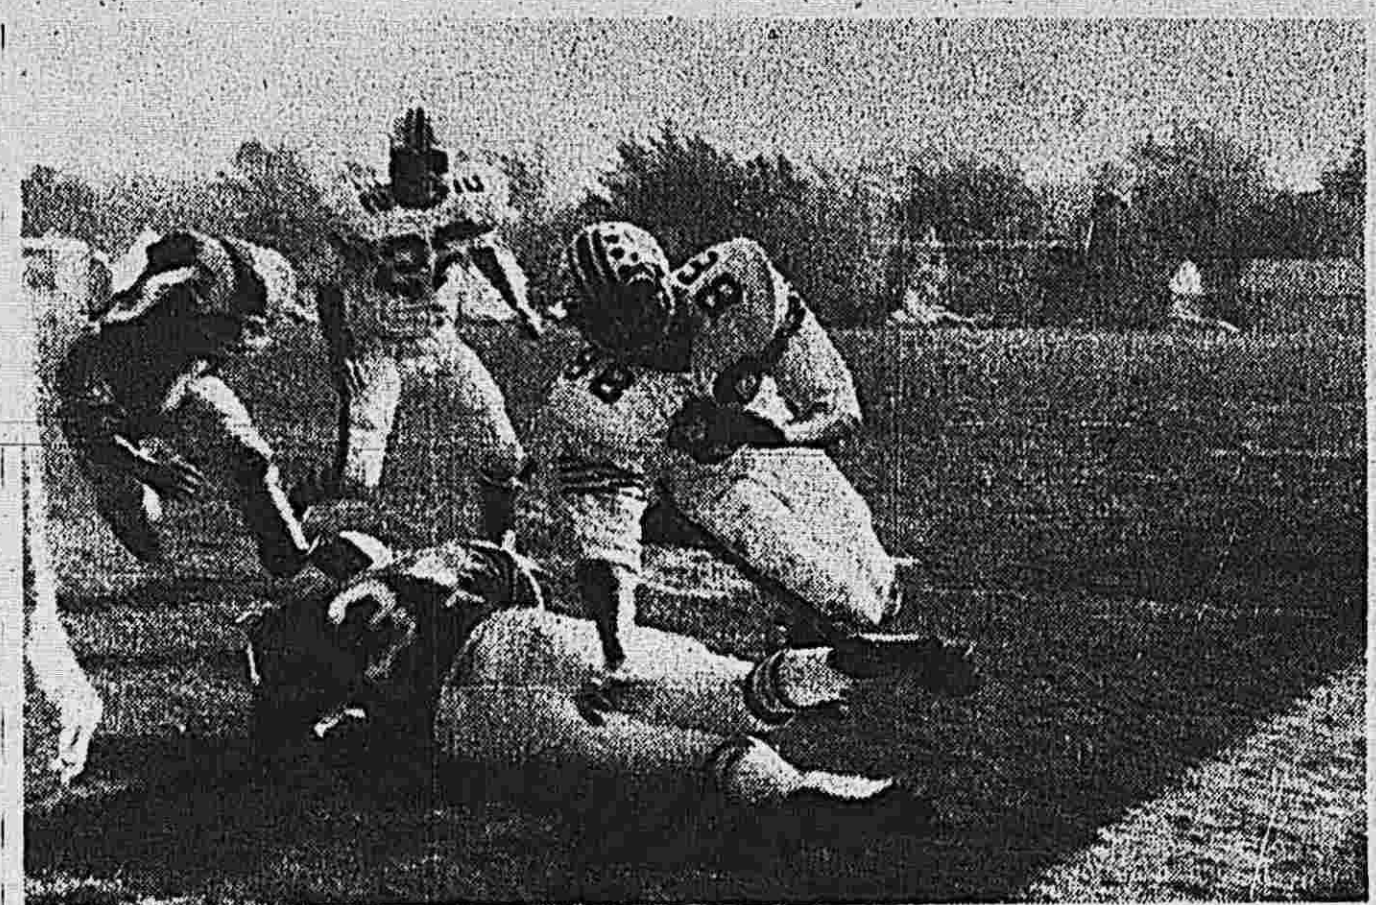

We put our undefeated record on the line Saturday against the preseason favorite, Grayslake Rams, and we came out on the short end of a 21-6 score. We just didn't seem to get the breaks, with our spirited team maybe a little too spirited. Even though we outgained the Rams 216 yards to their 128, we were the victims of bad breaks and our own mistakes. We had 12 first downs to four for the Rams.

The scoring was started by the Rams with 5:19 left in the first quarter when they scored on a 15 yard pass play. We took the ball to their 35 but had to punt. On our next series we had to punt once again and Gary Stull of the Rams ran the punt from his 12, 80 yards for the score. The kick made it 14-0 with 8:34 left in the first half.

The first time we had the ball in the second half we drove to the Ram 8 where we were stopped by a fumble.

On our first series in the last quarter we drove 76 yards on two long runs as "Chip" Gross carried the ball for 51 yards and Rich Claeson carried it 23 for the score. That made the score 14-6 with 8:20 left in the game.

The killing blow came on the ensuing kickoff when the Rams

Tom Martin, 88, puts the stopper on a Grayslake back.

ran it back 88 yards for the score. This made it 21-6, ending the scoring.

Next week's game against Warren should be a tough home game. The Blue Devils are coming off of a 34-0 victory over Grant and we are tied with

Grayslake for first place with a 4-1 conference record. Not only must we win to stay on top in the conference but we have to prove to everyone we are not the "Cinderella team" everyone says we are.

Grayslake Whips Sophs

The Antioch Sequoits kicked off to Grayslake to start a hard fought battle. After an interchange of punts Grayslake took the ball down to the five yard line on an option play around our left end. On the next play they scored off the tackle to draw first blood. The conversion was not good.

Following this score the defenses of both teams held for two series of downs. Midway through the second quarter a Grayslake punt rolled dead on the Antioch 36 yd. line. After two running plays netted only 2 yards, a 22 yd. pass to Gordon Silianoff took our team to their 40 yd. line.

Dave Piironen and Charlie Chapman carried for 6 and 9 yards respectively. The passing combination of Fred Popp to Charlie Chapman brought Antioch 6 points and a tie ball game with 2:05 seconds remaining in the first half. The extra point was short. The half time score was Grayslake 6 - Antioch 6.

Antioch opened the second half by receiving the Grayslake kickoff on the 8 yd. line. Twelve plays took the Sequoits to the Grayslake 25 yd. line. A delay of game penalty and an incomplete pass ended the drive which was Antioch's last serious threat.

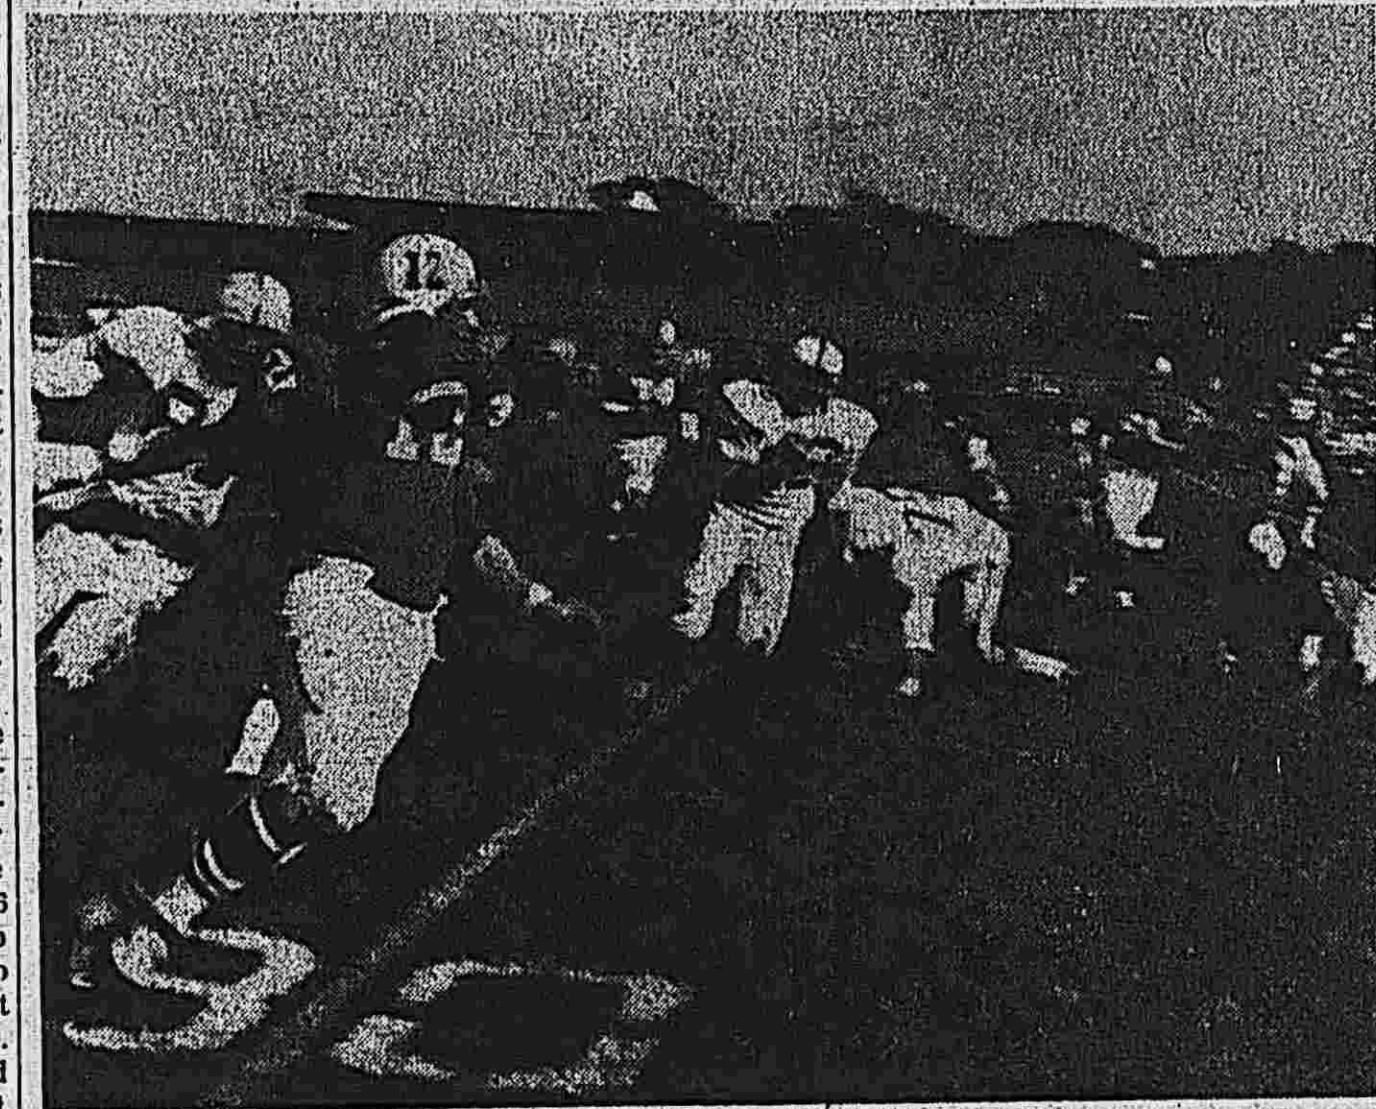

Later in the third quarter with fourth and 13 yds. to go for Grayslake, their quarterback threw a perfect strike to their halfback for a 19 yd. gain. Two plays later they scored, and followed with a conversion good for 2 points. The game ended 14 to 6 with Grayslake the winner.

Antioch Sophs Whip Lake Zurich

The Antioch Sophomores took just five minutes after the opening kick off of the homecoming game to score two touchdowns. A third touchdown was added early in the second quarter when a punt was returned with some brilliant running by Charles Chapman, for 55 yards.

With 7:57 left in the quarter Dave Piironen took a pitch from Fred Popp and scooted around right end for the first tally. Three minutes later Chapman scampered 57 yards through the middle for the second. This was followed by Chapman's punt return. Piironen added a conversion which made the half time score 20-0.

The Sophomore Sequoit defense did a very fine job holding Lake Zurich to just one first down for the first half. Led by Glen (Continued on page seven)

Grayslake quarterback winds up to pitch one to his downfield men.

preserve the shut out.

Fred Custardo outshone his rival by completing 14 of 25 passes for 295 yds. and 4 touchdowns. NFL scouts may have wondered why the Chicago Bears released Fred as well as Ron Jurewicz who caught 6 of these passes for 80 yds. and 1 touchdown. Ron, also among the rushing leaders, added 85 yds. on the ground in 18 carries.

Berezowitz wound up with 8 completions in 22 attempts for a paltry 89 yds. Jim Knoblauch was held without a single reception, and that must be some kind of a record. Greg Jones provided the only Delavan spark as he caught 4 passes for 31 yds. from his running back position and added 25 yds. on the ground 6 carries.

The Rifles draw a bye this coming Saturday and close out their regular season at Racine against the Raiders, on October 31. The 41 to 0 victory over Delavan at Carmel Stadium in Mundelein clinched a title game berth for

the Rifles against the Madison Mustangs in Madison on Nov. 7. The victory also gave Lake County their fourth Southern Division title in their fine six year history in the Central States Professional Football League.

FUNERAL NOTICES

MADLINE B. SCIACERO

Mrs. Madeline Baldwin Sciacerio, 64, years old of 58 So. Milwaukee Ave., Lake Villa, passed away suddenly Monday, Oct. 26, on arrival at Victory Memorial Hospital, Waukegan. She was born Sept. 23, 1906 at Lake Forest, and lived there until moving to Lake Villa 23 years ago.

She was a member of Prince of Peace Church at Lake Villa; the Lake Villa V.F.W. Auxiliary No. 4308; and also a member of the Illinois Bell Telephone Pioneers. She was a retired telephone operator, having worked for the telephone company for over 30 years.

Survivors are her husband, Anthony B. Sciacerio; two brothers, Robert and Donald Baldwin, both of Lake Forest; five sisters: Mrs. Catherine O'Connor, Deerfield, Mrs. Mary Wilson, Mrs. Dorothy Varner, Ellen Baldwin, Mrs. Evelyn Duggan, all of Lake Forest. Several nieces and nephews also survive.

Funeral mass will be held at 10 a.m. Thursday, Oct. 29, at Prince of Peace Church, Lake Villa. Interment will be in Ascension Cemetery, Libertyville, Ill. Friends may call at the Strang Funeral Home in Antioch after 3:00 p.m. Wednesday. The Lake Villa V.F.W. Auxiliary held a memorial service at 7:30 p.m. at the funeral home. Parish prayers were also recited at 8 p.m. Wednesday at the funeral home. Friends desiring may make contributions to the Lake Villa Rescue Squad or the Prince of Peace Church.

FOR RENT—Two bedroom home (with lake rights) on Cross Lake. Call Friday from noon on. 414-396-4318. (19c)

Interment was in Liberty Cemetery north of Antioch.

HENRY A. MAU

Henry A. Mau, 85 years old of Shady Nook Subd., near Antioch passed away suddenly at home Wednesday, Oct. 28 from an apparent heart attack. He was born May 3, 1885 in Halberstadt, Germany, and came to America in 1889 to settle near Antioch and has lived in the area all his life.

He was a member of the Mystic Workers of the World for many years and was a retired self employed carpenter.

Survivors are his wife, Elfrieda (nee Frese) Mau, one sister, Mrs. Rose King, Lake Geneva, Wis. Several nieces and nephews also survive.

Funeral services will be held Saturday, Oct. 31 at 1:30 p.m. in the Strang Funeral Home, 1055 Main St., Antioch. The Rev. Phillip Laurin of St. Stephen Lutheran Church of Antioch will officiate. Interment will be in Hillside Cemetery, Antioch.

Friends may call at the Funeral home after 1:30 p.m. Friday, Oct. 30. Friends desiring may make contributions to St. Stephen Lutheran Church.

Antioch Sophs ...

(Continued from page six)

Amundsen, Tom Raynak, Steve Gibson and Jim Staples, Lake Zurich was held to minus yardage the first three times they had the ball. Doug Banwart and Mike Nischan did a good job stopping passes and inside runs. Chapman and Piironen also did a good job on pass coverage and arresting on ground plays. Lake Zurich did not complete a pass out of five attempts the first half.

In the second half the Bears did not give up the football for 15 plays using no huddle and a quick count to catch our defense off guard. After the kickoff into the end zone they started on their 20 and worked down to our 34 yard line with short runs and 2 pass completions where Antioch took over on downs. Popp was thrown for a loss of eleven yards which forced us to punt 2 plays later. Our defense held forcing them to punt which was returned 21 yards to their 32 yard line. After a penalty against Lake Zurich and 3 plays Antioch was on the one yard line. From this point Piironen scored his second touchdown of the day. The conversion was made good with a kick by Gordy Sillanoff which ended our scoring. All of the squad saw action in the last quarter.

WALTER E. BOSNICK

Services for Airman 1st Class Walter E. Bosnick, 20, who was killed in an air crash in Taiwan while flying from Taipei, Formosa, were held last Monday in St. Peter's Church, Antioch.

Interment with full military honors was held at Ascension Cemetery, Libertyville. Arrangements were handled by the Strang Funeral Home in Antioch.

Airman Bosnick, a native of Chicago, had lived in Antioch for the past 18 years.

He is survived by his mother, Mrs. Josephine Bosnick, of Antioch, four sisters, Mrs. Patricia (Lowell) Simonsen, Lorraine, Teresa and Joan, all of Antioch, one brother, George, of Antioch.

MRS. SARAH MAY GENUNG

Services for Mrs. Sarah May Genung, 85, formerly of 633 N. Main St., Antioch, were held last Tuesday at the Burnett Funeral Home, Libertyville. Burial was in Lakeside Cemetery, Libertyville.

Mrs. Genung died Sunday after a lingering illness. She was a native of Libertyville.

She is survived by a sister, Mrs. Fannie Lemker of Antioch, and a brother, Edward Brixen, of Tucson, Ariz., several nieces and nephews.

FRANK H. LASCO

Frank H. Lasco, 76, 5707 Broadway, Richmond, died Tuesday, October 20, in McHenry Hospital. He was born Dec. 13, 1893 in Burlington, Wisconsin.

On March 21, 1953 he married Sadie Hendrickson, who survives. He was preceded in death by his first wife, Edith, and two children.

He is also survived by nieces and nephews.

Funeral services were held Friday at 1:30 p.m. in the Ehorn Funeral Home in Richmond. Burial was in Hillside Cemetery, Antioch.

Three Win Degrees

Three Antioch area students were awarded degrees last month from the Roosevelt University in Chicago.

William Deberg, of RFD 3, Box 86, Lake Villa, and Mrs. Kathleen Girard, RFD 5, Box 309, Antioch, were awarded bachelor degrees, and Robert Willrett, of Box 101, Antioch, received a master's degree.
